**Hardi Paisu 4c**

**A snowball fight**

Snowball fights are so right.  
I like snow, it is so white.  
I need more brightness in lights  
at cold winter nights  
to see Santa Claus coming  
in the snowball fight.

---

**Eve Toimetaja 4c**

It's a beautiful starry night,  
and the snow just shines so bright.  
When the puddles have turned to ice  
the weather feels so cold but nice.  
The children are outside playing with snow,  
the fire gives my heart a warming glow.  
There's no reason for this poem to include a printer  
except for the fact it rhymes with winter.

**MERRY  
CHRISTMAS!**

# Gifts for Friends and Family

**Salme Seiler 4c**

**My Christmastime**

**My coat is white  
the snow is light,  
winter is cold  
and Santa is old.**

**I like ice.  
Winter is nice.  
Presents are good  
and it is right.**

**Johannes Menov 4c**

**Snow is bright  
and it is light.  
As I hear the bells,  
I turn right.**

**Santa is old and cute  
but he hates queues.  
I like the winter nights  
as I feel like a knight.**

**Sandra- Lisell Neidre 4c**

**Winter is very cold  
and Santa Claus is old.  
I watch a snowstorm  
and I eat an ice-cream.**

# THE PERFECT

## Christmas gift is a poem

Grettel Saidla 4c

Long nights,  
the ice was slippery.  
It was white and everywhere  
there were Christmas lights.  
Yesterday was Christmas Day,  
I stayed up until the morning.  
Now it is time to play  
snowball fight.

Alisa Volkova 4c

I like snowstorms  
and Santa Claus.  
My mum likes cold  
and my sister snowflakes.

Lilian Liikane 4c

In winter it snows.  
When it's cold  
it will be slippery.  
If you aren't careful,  
you might slip.  
Let it snow, let it snow.  
Let's go inside to eat  
gingerbreads.  
Snowflakes are beautiful.  
Santa will come at night,  
Santa will bring us gifts.  
Let's open the gifts!  
Wow, winter is so cool!

Tristan Õun 4c

Ice is white as mice,  
it is cold and nice.  
Eating ice-cream  
and cake cream,  
I found some icicles  
on my bicycle.  
Somewhere snowflakes  
falling near an icy lake.

# HAVE A NICE HOLIDAY!

**Mauri Kozlov 4c**

**Making a snowman is nice.  
I like snowball fights.  
I like reading books  
at Christmas nights.**

**Ragnar Raamat 4c**

**White nights  
and snowball fights.  
Making a snowman.**

**Oskar Maripuu 8c**

**The time of cold,  
the time of gold.  
Winter they like to call it  
for it is the time of all the good they  
commit.**

**With light levels low  
and all the insults we like to throw.  
It's a wonder why  
we like to get our expectations sky-high.**

**With all this to behold  
it's as if we are all wearing blindfolds.  
With all the rewards being in fools gold,  
it's a miracle it hasn't been foretold.**

**The time we're told, we're free of malice  
by those who live in a isolated palace.  
But may be I'm just overthinking  
the meaning of accidental linking.**

# CHRISTMAS 2021

Leen Burmeister 8c

It is every kid's dream in the winter  
when snowflakes begin to appear  
that maybe there'll be a blizzard  
that'll cancel the school for a day.

A day free from all forms of homework,  
a day without science or math,  
when you leave all your school books at home  
and run out of the door with a laugh.

Jan-Martin Miljand 8c

It started to snow in the morning  
but the snow is really boring.  
Let's go out and spend time exploring  
the wonders of snowboarding.  
Let's do some video recordings  
about our snowboarding.  
The weather looks cold but nice  
everywhere you can see only ice.

# Time with Friends and Family

**Andre Tamm 8c**

**Santa is flying  
around the block,  
he could come even  
through Bangkok.**

**Presents are falling,  
parents are calling,  
people are busy,  
Santa feels dizzy.**

**Eliise Võigemast 8c**

**Where is snow?  
I don't know.  
Is it coming?  
None knows.**

**Loreta Loodus 8c**

**The best gift at Christmas  
is easy to see.  
It's not wrapped in paper  
or under the tree.  
Because the best gift at  
Christmas  
and all the year through,  
is having someone  
as special as you.**

# THE MOST IMPORTANT

## Christmas gift is a good word

Aliise Matsalu 8c

Snow is falling,  
Winter is calling.  
People are skiing,  
reindeers are flying.

People are shivering,  
fresh ice is glittering.  
Elves are making fancy presents,  
kids are waiting for Santàs presence.

Kertu Ploom 4c

Snowman, snowman  
I like making you.  
Snowman, snowman,  
a white and cold man.  
Snowman, snowman,  
your buttons are low.  
Snowman, snowman,  
they are made of the snow.  
Snowman, snowman,  
your eyes are too bright.  
Snowman, snowman,  
your hat is so light.

Taavi Remmelgas 4c

I like nights,  
you like lighs.  
You like fights,  
I like sights.

Jan- Erik Pesti 8c

Snow is truly  
not that bad.  
It makes us  
very glad.

Let's go and play  
but if you broke  
my snowman,  
you will pay.

# We wish you a Merry Christmas and a Happy New Year!

Mirtel-Angela Tali 8c

Winter is a wonder,  
can't wait much longer.  
Christmas presents,  
gingerbreads,  
many songs are well-read.

Together here with  
everyone,  
singing all kind of poems.  
Every kid running around,  
oh, they have found all the  
presents.

I personally do not know  
what to wish for upon the  
snow.  
No wishes, no needs,  
except for that haircut my  
hair needs.

Katriin Sarnit 8c

The snow is falling down  
it's landing on a woman's gown.  
It is quite extraordinary, I can't find  
describing word in a dictionary.  
Christmas presents are just amazing,  
especially if they are playthings.  
It is Santa! I don't know how to react.  
Feeling nervous I can't hold an eye contact.
